

Graduated Beaker with Integrated Balance, LAT

A practical sidekick in the lab. Available in grey or green, this beaker allows for simultaneous measuring and weighing. Volumes of water, oil, milk, sugar, and flour are converted automatically. The beaker is removable and dishwasher-proof. Thanks to the tare weighing functions, different products can be mixed. Battery included in the delivery.

Colour	Volume max. ml	Filling weight max. g	Order No.
green	1000	3000	10 20 15201
grey	1000	3000	10 20 15202
